

April provides us with many reasons to be outside, whether it's marking [Earth Day](#) on April 22 by planting a tree or picking up trash, or celebrating [Easter](#) on April 21 with a family egg hunt. I've discovered a few more reasons to be outdoors during this wonderful time of year and made a list of some of the Lone Star State's oldest, most charming, most fun or most unique festivals. If you visit any event on the list, be sure to send me a review.

With the change of season comes a change in our sports viewing habits. Unless our favorite basketball team makes it deep into the playoffs, our favorite baseball team is starting to command our attention. Just another reason to be outside (until they close the roof in Houston). Don't forget to contact me for tickets for the [Texas Rangers](#) or the [Houston Astros](#). Be sure to plan ahead!

Many of the amusement and waterparks are opening this month, if only on the weekends. All others will follow with full-time hours beginning Memorial Day Weekend. Discount links and tickets are available through the Concierge Desk.

For those of you who would be lost without a great administrative staff, be sure to show your appreciation on [National Administrative Professionals Day](#), April 24. If you can, be sure to participate in [Take Our Daughters and Sons to Work Day](#), April 25. The theme this year, "Workforce Development for All," is designed to empower youth through inspired development careers. Click [HERE](#) for more information on how your office can participate.

Have a great time this month!
