

June is here, school is out, and it's time to enjoy a summer's worth of time with family and friends. Take advantage of all the fantastic outdoor events and adventures before the Texas heat settles in.

Last month we honored our moms, and now it's Dad's turn. Go to a baseball game, visit a museum, work on the car together – whatever it takes to spend some time with The Man! If you can't be there, consider using our standing discount with [1-800-flowers](http://1-800-flowers.com) and send him a unique gift to let him know you appreciate him. The site offers so much more than just flowers. Check out the links in the article below.

Baseball season is in full swing and our Texas teams are doing great right now. Hopefully, I haven't jinxed either one by mentioning it. But you will need to plan ahead for the game you want to attend – ticket prices are rising and availability is shrinking. Contact me if you'd like to purchase tickets for the Astros. For Rangers fans, check out the special link on Page 4.

Have a great summer! If you come across some place wonderful during your vacation travels, be sure to tell me about it. It's always fun to hear about something or somewhere new and your personal recommendations can be like gold to a concierge.

Save With a Texas State Parks Pass

If you like to camp, hike, swim or go RV-ing and you do it often, the Texas State Parks Pass will save you money. The annual pass allows for unlimited free entry to more than 90 state parks for you and your guests, provides discounts on camping (restrictions do apply), park store purchases and equipment rentals, as well as other special offers. The pass is \$70 and is issued to one person. A second pass for someone else living at the same address is \$25. To purchase a pass online, click [HERE](#) or you can buy the pass at any state park. Secondary passes can only be purchased at a park. For more details on the pass, click [HERE](#) or visit www.tpwd.Texas.gov.

Concierge-priced single game tickets for [Houston Astros](#) and [Texas Rangers](#) regular season home games are available. Ticket pricing is dynamic, so plan ahead and purchase tickets early. Ticket delivery varies by team, but the easiest way to receive your tickets is to use the Major League Baseball (MLB) app available for iPhones and Androids. PDFs of tickets are no longer accepted at either ballpark.

Contact [Carol](#) directly to purchase your Astros tickets, paying no service charges. Savings varies from \$7-\$15 per ticket. Pricing applies to all sections but some lower rows in lower sections may be restricted.
