

Let's get ready for summer! With the official start just a few weeks away, it's time to clean the grill, make sure the outdoor umbrella still works, put away the fire pit, clean the pool equipment, check the camping gear, and stock up on any kind of mosquito repellent that works.

If your summer vacation includes a trip to Las Vegas, New York or one of the Disney or Universal parks, special offers are available through the Concierge Desk that you will definitely want to check out. Contact me for more details.

This month, there are two very special days to remember. Mother's Day is on Sunday, May 12. Be sure to spend some time with your mom, if you're able. If not, take advantage of our discount with 1-800-flowers and send her a bouquet, a gift basket or some other gift of appreciation for all she does.

Memorial Day is on Monday, May 27 and is intended to honor members of the U.S. military branches who have lost their lives in service to our country. Find a way to honor these sacrifices – display the U.S. flag, visit a national veterans' cemetery or memorial, attend a parade, wear or display a red poppy, commit your time to a local VA facility or USO, or make a donation to a veterans' organization. Charity Navigator offers a list of reputable charities that provide services and support to our military and their families.

Enjoy the month and have a safe Memorial Day Weekend.

WHO ARE YOU CARRYING?
Texas Routes - May 14-27

Carry The Load is a non-profit organization dedicated to providing an active, meaningful way to honor the sacrifices made by our nation's heroes — military, veterans, first responders and their families. Founded in 2011 by two veteran Navy SEALs, Carry The Load began in Dallas. It has expanded to include an East Coast Relay (West Point to Dallas); a West Coast Relay (Seattle to Dallas); and a Midwest Relay (Minneapolis to Dallas) throughout the month of May.

The relay routes in Texas vary in length with some for serious cyclists only, and others are open to the public for walking. To register for a route, go to www.carrytheload.org and click on the Register tab. Fundraising is voluntary and not required for participation. For route information, click HERE and then scroll down to The Relay paragraph for the route links. Northeast Texas cities can be found on the East Coast Route Guide; Addison and Dallas are included in the Midwest Route Guide; cities in West Texas and Central Texas, Houston and the DFW metroplex are part of the West Coast Route Guide.

All three relays culminate in a rally at Reverchon Park in Dallas, May 26-27. For information about parking, camping, tailgating and the VIP Village at the Dallas Memorial March two-day rally, click HERE.
