

Salvation Army Angel Tree Goes Virtual November 1 - December 3

- ❖ Register & print your Digital Wish List tag(s) **beginning November 1** at <http://cousinsproperty.virtualangel.org>. Tags are available online only. We have Wish List tags for senior citizens (25) as well as children (75). You'll receive an automated confirmation email and a tax receipt.
- ❖ Shop online at your favorite retailer for the items listed on the tag. Please purchase at least 3 items, including at least 1 item of clothing if applicable. As always, no food items, gift cards or toys that look like weapons, please.
- ❖ When checking out, be sure to enter the name and Wish List tag number(s) of your Angel(s) as the gift recipient – otherwise, the Salvation Army elves won't know who should receive the gift.
- ❖ Ship gifts directly to Santa's Workshop at 4026 Interwood North Parkway, Houston, TX 77032.
- ❖ If you wish to return the gifts in person, please pick up packaging instructions and supplies from the One BriarLake Plaza Lobby Security Desk. Package and return the new, unwrapped gifts enclosed in the tagged, zip-tied bag to the Cousins Management office, located in One BriarLake, Suite 175, **by Thursday, December 3**.
- ❖ Packing instructions and a FAQs sheet are also posted at www.briarlakeplaza.com/tenant-portal.
